APOSTOLIC ASSEMBLY OF THE FAITH IN CHRIST JESUS

# WELCOME TO CONVENTION 2024

Dear Bishops, Pastors,  
and Brethren,  
Praise the Lord!

Welcome to the 64th General Convention of the Apostolic Assembly. We are anticipating that this is going to be a great convention. The theme is "Empowered by the Holy Spirit". I am confident that this convention is going to be a great experience for all who attend. I am looking forward to experiencing a powerful move of the Holy Ghost at our services and activities. I am also anticipating that our ministerial and pastoral sessions will serve to renew the vision of the Apostolic Assembly. All the preparations have been made to ensure that every attendee will have a great time in the Lord.

Ninety-nine years ago, our church celebrated its first convention. That historic convention was held at the local church of San Bernardino, California. 27 ministers and 150 congregants attended that convention. History records that God visited the first convention of the Apostolic Assembly. Our church's humble inauguration started with the ministers of that convention pleading for the Spirit's guidance and empowerment.

For ninety-nine years now, generations of Apostolics have been witnesses of the power of God. The Holy Spirit has been and continues

to be at the forefront of the Apostolic Assembly. The Apostolic Assembly is a Pentecostal Church. We believe that the presence, guidance, and empowerment of the Holy Ghost are essential to who we are and what we are called to do. The proverbial history of our church is filled with the expansion of the kingdom and the exaltation of the name of Jesus. Our church began in Pentecost and has continued in Pentecost, and when Jesus comes for his church, it will end its journey on Earth in Pentecostal power.

Prepare yourself to be blessed, inspired, challenged, and empowered.

We are excited to announce that this convention is going to be fully bilingual. For the first time in our history, we will celebrate two evening services; one will be exclusively in English and the other in Spanish. The General Board is fully committed to ministering to both the Spanish and English-speaking Apostolic communities equally. The services will have different speakers, each in their own language. Our only bilingual service will be on Thursday because of the Thanksgiving celebrations. As we have done previously, the ministerial conferences will be in Spanish and English. We will provide earpieces at the legislative sessions to ensure the full participation of everyone present. Whether it is the business or the spiritual elements of our convention, we have organized ourselves to inspire and include every attendee.

Our desire is that the Lord bless you and that you leave this convention filled with God's blessing.

In Christ,  
Bishop Felipe A. Salazar  
President, General Pastor AAFCJ
